

Most of the individual items can be purchased at your local hardware store, the tile specific items can be ordered through the office for the pricing that is shown. You are required to have these tools on the jobsite and it is your responsibility to maintain and keep your tools. If you should need to replace a tool, please let Dustin, Jeff or Darya know and a replacement will be sent and the cost deducted from the following weeks paycheck. If you have any questions, please contact one of the previous mentioned individuals or your superintendent. Hopefully this will cut down on the loss of tools, and the throwing away of tools.
